

# Directions to EAST TRENEAN FARM.

Widegates, B3253, Post Code: PL13 1QN

You can find a map on our web page [www.easttreneanfarm.uk](http://www.easttreneanfarm.uk) Click on the contacts page for the Google map.

We assume that you will be coming from the East and driving through DEVON on the A38. Follow signs toward PLYMOUTH in Devon and then LISKEARD in Cornwall.

Cross the River Tamar by the bridge and enter CORNWALL. Do not be tempted to turn off the A38 before you have crossed the Tamar Bridge or to take the Torpoint ferry.

Turn off the A38 at the Terulefoot roundabout shortly after passing through TIDEFORD. At the roundabout, follow the signs for **LOOE on the A374** (first exit from the roundabout)

The road twists and turns down hill and about a mile or so later there is a RIGHT turn on to the A387, again signposted to LOOE.

Take the right turn and continue on the **A387 toward LOOE**. The road now twists and turns up hill and then down in to the village of HESSENFORD. You will pass the COPLEY ARMS public house on the right before crossing the river and climbing up hill again toward WIDEGATES.

Another couple of miles and you will see a sign post for our local farm shop on the left and then a sign for a right turn (A387) toward WIDEGATES. **Do Not turn off** but follow the road (which now changes to the B3253) as it bends to the left toward LOOE (and East Trenean Farm).

The entrance to **East Trenean Farm** is then the third entrance/driveway on the left - about half a mile further on. You will pass Coombe House then a large entrance with no sign (Trenean House), and finally you will come to a narrow entrance with our sign post (East Trenean Farm) just beyond the entrance.

You will see two round mill stones set in to the wall, one each side of the entrance. Drive down the lane carefully. There are two big bumps at the entrance, so take it easy ! As you drive down the lane, you will see an entrance to Woodland View cottage near the top. You will then pass in front of East Trenean Cottage (our neighbours) and then over another bump and into East Trenean Farm.

We suggest that you stop the car in front of our garages (which will be on your right) and then call at the Farmhouse for the keys.

We will show you to the cottage and then leave you to unpack and settle in.

Once you have unpacked the car, please park it in the small car park just up the lane on the right.

If you have any problems finding us please feel free to call the Farmhouse on **01503 240 881** or Brenda on mobile no. 0771 495 2679 or Ian on mobile no. 0743 247 9905
